Thanks for the confirmation. I have reviewed the content of the submittal and found all the required information to be included.

EPA will now begin our review of the request.

I will be in touch as questions arise and to provide you periodic updates on EPA's review.

Please feel free to contact me should you have any questions regarding the status of EPA's review.

Good Morning Julianne,

Yes, there is a complete statement...it was tabbed in Volume 1, the 8th tab back and is headed Mike DeWine Attorney General and signed and dated January 22, 2015....the entire section is about an inch thick and the signed statement is about 4 pages..

I don't think the Governor's office realized that the Governors letter was being sent in the same package, thus the reference to the separate cover...We put everything in one submittal to keep it from getting lost.

Let me know if you can't find it or need more.

Thanks!

Hello Kevin,

Before I finalize my "completeness" check of the transfer request I need to confirm that a complete and final statement from the Ohio Attorney General was included in the binders, specifically Volume 1. The July 8, 2015 letter from Governor Kasich indicates that a statement from the Ohio AG will be sent under separate cover, however, Volume 1 of the transfer request includes a signed statement from the Ohio AG along with a lengthy analysis of ODA's legal authority. Please confirm that no additional statement and/or information from the Ohio AG is pending.

Thank you,

julianne

Good Afternoon!

I thought I would let you know that the three big binders for the NPDES authorization are going out today in the U. S. mail to the US EPA Regional Administrator.

Thanks! Let me know if you need anything else.
